## INDOOR POOL FLOOR TILE UPDATE

The indoor pool floor re-tiling is going very well.

The contractor has been hard at work since mid-March. The floor tile has been removed. The pitch of the floor is being adjusted to allow for better drainage around floor drains. The pool/room will be cleaned prior to opening.

The project is projected to take approximately six weeks.

If you are planning to use the indoor pool, please call the Clubhouse first and the attendant will give you an update on the scheduling.

## SOCIAL COMMITTEE

Thank you, **Denise Mackowiak** for introducing the current Social Committee to Bloomfield Club. The Social Committee had their first meeting in March and nine Residents attended. **It was such a success! So much excitement!**

The Committee worked hard on ideas to touch into all groups of demographics here at Bloomfield Club. The plan is to reach all Resident's interests.

Some planned ideas that will be scheduled for this **Summer** :

**an Ice Cream Social, a movie night and a food truck to come to the property.**

Some other ideas are a walking Club and a book club. There are plans being made for water aerobics in our beautiful indoor pool which is being re-tiled.

Plans also include an instructor to teach pickle ball on the multicourt.  
(Nets will be up and courts will be open mid-April)

The Committee encourages you to attend meetings and voice your ideas.

**The next meeting is Monday, April 11th at 7:00 pm**
